Wait Three Days!

Can you imagine the despair on that first GOOD FRIDAY? As Jesus joined the disciples on the road to Emmaus, they expressed to Him that despair. Luke records what they said about Jesus: *"He was a Prophet, powerful in word and deed before God and all the people... We had hoped that He was the One who was going to redeem Israel. But instead, the chief priests and our rulers handed Him over to be sentenced to death, and they crucified Him."* (Lk.24:19-21) Things certainly looked dark and confusing.

As the saying goes: "Been there, done that."

Today things look rather dark and bleak: COVID 19 is ravaging not only our country but the world – with 100's of thousands being infected and 10' of thousands dying and the numbers are rising daily; with the stock market crashing – causing businesses to close, releasing employees due to the government's "order" to "shelter in place" resulting in no customers to spend money on their products; and the lack of social interaction is causing many to go "stir crazy!" Things certainly look dark and confusing!

Our Lord enters into that darkness and, in effect, says: "WAIT THREE DAYS!" Psalm 50:15 says: *"Call upon Me in the day of trouble; I will deliver you and you will honor Me."* You see, our Lord has "Been there, done that." He entered into the darkness of our world for our sake. The darkness of the Garden of Gethsemane, His trial, and finally His execution are things that He went through for our sake. He even entered the essence of darkness, hell, to proclaim His victory over the devil and death.

Yes, WAIT THREE DAYS! As the children of Israel stood at the Red Sea they grumbled against Moses. *"Was it because there were no graves in Egypt that you brought us to the desert to die? Moses answered the people: ... 'Stand firm and you will see the deliverance the Lord will bring you today.'"* (Ex. 14:11, 13) They didn't even have to wait three days. The Lord delivered them in a mighty way that same day.

"WAIT THREE DAYS" is good advice. What a difference that third day made for the disciples. Their darkness and despair was turned into joy and rejoicing. Their temporary problem was replaced with an eternal solution.

Waiting isn't always an easy thing to do. It's like the old joke that says: "Lord give me patience and give it to me NOW!" And yet waiting is so worthwhile. Not only do we need to wait for our Lord's will to be done in our lives, but we also wait for all the blessings of heaven that He has won for us. May we ever say with the Psalmist: *"I wait for the Lord, ...and in His Word I put my hope."*

Yours, having been brought from darkness into the *LIGHT* by Christ's resurrection,

Pastor Kloha

Last Month at Christ's Kids!

The biggest news for Christ's Kids is the effect of COVID-19 as we have closed effective March 18. We have no way of knowing when we will be able to reopen, but we hope to get more time together before the end of the school year. We pray everyone stays safe and unharmed.

March had been an exciting month as we began by observing Dr. Suess Week. We had dress up days for themes like blue, green, socks, hair, and hats. Each day had some Dr. Suess related activities such as stacking hats (red solo cups and index cards). The theme for the following week was music and dance. The children saw demonstrations from the ukulele, guitar, and dance. Kathy Chamis and one of her young students explained and played the violin.

It has been a wonderful time at Christ's Kids and we can't wait to see our friends again.

one message: **Christ!**
His love is here for you!
